

Immediate Opening for Experienced cGMP Auditor

Quality & Compliance Services Inc. (Q&C®) is based in Mississauga (Toronto), Ontario, Canada. Since 1994, Q&C has assisted clients with: Large Compliance Project Consulting, Audits, Validation, Quality Control Officer (QCO), Technical Writing, cGMP Training, Regulatory, cGMP Booklets, and Lab services.

Q&C® hires people committed to quality and encourages them to increase their capabilities through continuous technical and professional development.

Responsibilities

As a Q&C® cGMP Auditing Associate, you will evaluate conformance to regulatory standards (e.g., FDA, Health Canada, etc.). Activities include: coordinating audit arrangements, organizing and reviewing background documentation, preparing audit plans, performing audits at various locations, preparing audit reports, and providing advice related to the steps needed in order to be compliant with all components of the regulatory standards. Some travel is required.

Qualifications

- Minimum University degree, B. Sc. in a scientific field
- Minimum five (5) years previous experience with US and Canadian regulatory standards for drug products, natural health products, narcotic and controlled substances, and cosmetics
- In-depth knowledge of North American and International regulations and guidelines including cGMP/GLP
- Ability to negotiate priorities and audit findings, and the implementation of corrective actions
- Excellent project management and computer skills
